Poison Control	800-222-1222
Transportation info	511
Comm. Service info	211

Are you prepared for the "big one"?

In case of an earthquake or other disaster we all need to be prepared to help ourselves and our neighbors. It may take from 5 to 7 days for emergency workers to restore electricity, deliver food and water, and to deal with other needs. Take the CERT (Community Emergency Response Team) training. The next training is the fall session (7 Tuesday evenings from Sept. 14 to Oct 26). Bonus: Upon presentation of a certificate of completion, the Neighborhood Association will reimburse you \$50 (class fee \$100). Another option is to get 12 neighbors or friends together and schedule a FREE 2 hour "Get Ready Marin" training. Call 458-5002 or for more information go to www.sroes.org.
